Before filling in the sponsor's name, please read the following information:

Parents are the primary source of faith for the child. It is your duty to share the faith by word and example, enabling your child to grow in the Roman Catholic Faith. By choosing sponsors, you are asking their help in sharing the faith with your child.

Before choosing the sponsors please take note of the following:

A Sponsor must be a Baptized Roman Catholic, who has been Confirmed in the Catholic faith, practicing their faith regularly and more than sixteen years of age.

A Baptized person who belongs to a non-catholic community may be admitted only in company with a Roman Catholic sponsor, and then simply as a witness to the baptism.
